The Timothy P. O'Shaughnessy Foundation is a Wichita-based 501(c)(3) operating foundation established in 2016 to recognize, encourage, and support lifelong learning for deserving students from the Wichita area. Our desire is to provide to motivated, driven graduating high school seniors, additional learning opportunities beyond the norm. We hope to make a positive difference in the world by encouraging students like Tim, students who will break the mold and will influence the world by their example, to take the paths not normally traveled.
